

Initial Order Recognition Order Form

This form is only needed if you can not enter your troop's initial recognition order on SNAP

The 2010 initial order recognition *messenger bag* can be earned by any girl selling 175+ packages of cookies on her initial order.

The 2010 troop bonus recognition *eco tote* is earned by troops who have an initial order per girl selling average of 160+. To see if your troop earned the bonus:

Take the total number of packages sold on initial order and divide by the number of girls selling, this is your troops per girl average. (must be 160+)

Troops who achieve this per girl average earn 1 eco tote per girl selling and 1 for the volunteer involved.

- Both of the above items should be ordered on the SNAP system along with your troop initial order.
- If ordered on the SNAP system this form is not needed
- These items will be available at cookie delivery
- Cadette/Senior/Ambassador troop can earn these recognitions
