

Several of our council partners have contacted us with questions about our Lemonades cookies in light of Little Brownie Bakers' request that councils and consumers return certain lot codes of Lemon Chalet Crèmes. ABC Bakers would like to clarify that ***none of our cookies are affected*** by the recent problems that Little Brownie has had with their Lemon Chalet Crèmes. We regularly test our cookies, and we have not detected any evidence of oil rancidity in our Lemonades or any of our other varieties. Given the inherent stability of the oils we have chosen for our formulations, we do not expect to experience any issues similar to those that Little Brownie is currently experiencing with their Lemon Chalet Crèmes.

ABC Bakers is proud to work alongside our Council partners, supporting their mission of building girls of courage, confidence, and character. We look forward to supporting this mission through continuing to provide great tasting cookies.
