Thank you for contacting us about Lemon Chalet Crème Girl Scout cookies.

Little Brownie Bakers recently received a few contacts from consumers informing us of an off taste and smell from certain packages of Lemon Chalet Crème cookies. We immediately took the precautionary step of testing product samples. We determined that while the cookies are safe for consumers to eat, they are not up to our quality standards.

Certain lots of Lemon Chalet Crème cookies contain oils that may be breaking down which can result in an off taste and smell. We are asking that the councils that received these batches return any product inventory in their control to us. The affected Lemon Chalet Crème cookie batches have the following lot codes. The code may be found on the ends of the carton:

7455881 7455882 7455883  
7456741 7456742 7456743  
7457661 7457662 7457663  
7458521 7458522 7458523  
7459401 7459402 7459403

All of the Girl Scout Councils that received these lot codes will be notified directly. We will provide replacement product for councils and consumers. No other Girl Scout cookies are involved.

If you experience any quality issues with the *Girl Scouts*® Lemon Chalet Crème cookies, we would be glad to offer a reimbursement in the form of a free product replacement.

You can call us at **1-800-962-1718** or email us using this link:

[http://www.littlebrowniebakers.com/common/contact\\_form.html?class=fam](http://www.littlebrowniebakers.com/common/contact_form.html?class=fam)

If you are a troop leader or cookie volunteer, please contact your council for reimbursement and/or exchange.

Thank you for your concern and we hope that we have addressed all of your questions. We appreciate your support of the Girls Scouts in your community.
